Precious Coopers;

I thrilled to rec. a letter from you yesterday. Seemed so long since we'd heard. Dorothy had a letter from mother on Sat. We all grown concerned as had not heard for so long. All sorry to report these men found only wear 7½ & 8 D's. Fulton can wear one more narrow. Glad, however, Harold's father can wear the lonely, new shoes. Glad to receive the lonely, Nothing. Appreciate

Dorothy says "sounds like we are all about the same size now. 'Cotton pickin' fat!" No! you must come down if you go to Wisconsin. Will have a reunion of Suhl descendents for your benefit! Russell came a week ago Sun. He had a day-light trucking job between Searcy & Memphis; 12 hrs. a day for 5 days each week. He surely is trying & were so happy to be hearing from you; glad

Much love - Helen
